Description

Settled on a scenic tree-lined street in Charleston's desirable master-planned community of Carolina Bay, this well-maintained home offers an enviable move-in-ready opportunity. Traditional architecture is enhanced by a welcoming covered entry porch covered by a standing-seam metal roof, and a street-to-alley home site with a fully fenced, easy-care backyard. Preferred style continues indoors throughout a two-story floorplan of approximately 2,862 square feet. Four spacious bedrooms and three- and one-half baths include a main-level bedroom with ensuite bath. Light and airy, the open design reveals an inviting foyer, a formal dining room with tray ceiling, and a versatile office nook with built-in desk and cabinetry. Bathed in natural light, the seamless kitchen and family room space includes a casual dining area, an illuminated built-in media center, and access to the backyard's classic screened porch. Granite countertops and stainless steel appliances shine in the kitchen, where mocha Shaker cabinetry complements granite countertops, a full subway-tile backsplash, island with bar seating, and a butler's pantry with generous walk-in storage pantry. For added convenience, this floor hosts a drop zone and attached rear-loading two-car garage with long driveway. A handsome staircase leads to the second level's spacious loft, laundry room with cabinetry, and two secondary bedrooms with walk-in closets. Crowned by a tray ceiling, the sophisticated primary suite showcases an ample walk-in closet, and a luxe bath with granite-topped two-sink vanity, and a large shower with built-in seat. Enjoy the enduring style of designer paint and lighting, hardwood flooring, 10' ceilings downstairs, 9' ceilings upstairs, ceiling fans, and impressive millwork including crown and base molding, wainscoting and plantation shutters. Moments from Carolina Bay Park, this turnkey residence is convenient to the community's swimming pools, bike and nature trails, oyster pavilions and fenced dog park. Historic downtown Charleston is only 8 miles away, and shopping centers, schools, Charleston International Airport and I-526 are all within easy reach.
