Description

The Cumberland floor plan is the most sought after for its diversity in use of space with three bedrooms (including the primary) and two full bathrooms plus a powder room on the first floor. Upstairs there's an additional bedroom, loft and enormous media room that can be used as a fifth bedroom! As you enter the home, you're immediately met with grandeur from the double front doors to the 11' ceilings and a stunning tray ceiling in the foyer with trim detail and beautiful chandelier. The light oak flooring offers a southern yet clean and crisp aesthetic. The layout is quite open making this the ideal home for all events from quaint dinner parties to large family gatherings. It's also the perfect home to cozy around the gas fireplace which provides instant ambiance! There are super-slidoors that lead to the huge screen porch with vaulted ceilings overlooking the lush backyard and protected wood area behind the home for the ultimate privacy. There's plenty of space for a pool as well! There is a custom drop-station from the garage to the kitchen and a large laundry room which is off to itself. The owner's suite offers double doors leading to the upgraded deluxe owner's bathroom with a custom tiled oversized shower, a garden tub, separate water closet, double sinks and counter space for days. The walk-in closet also has a lovely closet system making for easy organization! The Ponds is unlike any community in the area with moss draped ancient oak trees, a club house, pool dog park, playground and miles of walking trails as well as a lake for fishing etc! Loan is assumable at 5.25% for qualified buyers! Schedule your appointment today to tour this amazing home at 424 Oak View Way!
