Description

This home has an open floor plan with a secondary bedroom and full bathroom on the first floor, great for visiting family or guests. The gourmet kitchen features a large center island, double ovens, gas cooktop with stainless hood all great for cooking large dinners and entertaining. The home has a formal dining room in addition to the breakfast nook. The study in the front of the home makes a great home office or reading room. The owners retreat is situated upstairs with a large walk in closet. The bath has a 5' tiled shower with rain head, elevated vanity with dual sinks and private water closet. There are 3 secondary bedrooms, full bath and laundry also located on the second floor.
