Description

Looking for the perfect mix of modern style and vibrant community vibes? Welcome to your fully remodeled 2 bed, 2 bath cottage in the heart of Park Circle - one of Charleston's most exciting and walkable neighborhoods. Every inch of its 925 sq. ft. is thoughtfully designed. From the moment you step inside, you'll be captivated by the modern sophistication and artistic flair: real hardwood flooring, top-of-the-line stainless steel appliances, and custom, stylish fixtures throughout. The hand-painted tile imported from Mexico in the guest bath? A bold statement piece with global charm. Outside, the location is unbeatable--just blocks from East Montague Avenue, packed with local breweries, restaurants, coffee shops, yoga studios, unique boutiques, and thriving businesses. The newly reimagined Park Circle Community Center offers the world's largest inclusive playground, green spaces, a farmers market pavilion, and walking trails practically in your backyard. Quarterman Park is also nearby, a peaceful retreat just minutes from the buzz of downtown Park Circle. Whether you're buying your first home or seeking a stylish retreat in a thriving, connected neighborhood, this one has it all. Close to downtown Charleston, a stone's throw from the airport and a short drive to 3 of the most pristine beaches.
