Description

Welcome to 449 Whispering Breeze Lane. The first floor of the home offers an inviting living area, and an eat in kitchen. The kitchen has several upgrades, tile floors, granite countertops, and a subway tile backsplash, just to name a few. There is also a half bathroom on the first floor. Upstairs are all 3 bedrooms, including the spacious master suite. The ensuite bathroom has a walk in shower and garden tub, and a large double vanity and a large walk-in-closet! The 2 additional bedrooms are also spacious and share a hall bath. There is a loft at the top of the stairs for a little bit of extra space, and the laundry room is also located upstairs. The fully fenced backyard has a screen porch and a patio area with pavers. The trees behind the house add extra privacy from the neighbors!
