Description

Welcome to the beautifully maintained 4788 Porter Dr, tucked away in the quiet Woodington subdivision just off Dorchester. This 3 bedroom, 2 bathroom home sits on a large, fenced lot that provides tons of room for family, friends, and pets to relax outdoors. As you walk up the expanded driveway, you'll approach the bright and welcoming front door. Swing the door open, and you're greeted by gorgeous, herringbone tile floors that extend throughout the main living area. Just off the great room, you'll find the eat-in kitchen, brightened by a large set of windows to let in tons of natural light. The stainless appliances and backsplash really make the kitchen pop! Back in the great room, you'll head to the left side of the home to find the three bedrooms. The two guest bedrooms share an updated, tiled hall bathroom. Just off the bedroom hallway, you'll find the colorful primary suite complete with walk-in closet. An en-suite tiled, modern bathroom makes getting ready a joy! Back in the great room, you'll find a barn door entrance to the bright sunroom, perfect for a small workout area or office space. Head through the French doors in the sunroom to the back yard, where the space provides endless options for fun and relaxation. The one-car garage at the front of the home provides an excellent project workspace, or room for extra storage. To top it all off, this home has an assumable 2.3% interest rate!
