Description

This beautiful Dunwoody Way is currently under construction and should be completed sometime in July-August. Loaded with trend forward features throughout...this home is sure to 'Wow'! Sea Island Preserve is the only brand new luxury gated community on Johns Island with estate sized homesites, resort style amenities and over 2 miles over walking trails. The home itself is a gorgeous one level plan with 3 bedrooms and 3 full bathrooms. It is a large open-concept floor plan with a gourmet kitchen with Kitchen Aid appliances, quartz countertops, farmhouse sink and many more upgrades. The kitchen opens to the great room, eat in kitchen and an enormous screened porch. The owners suite bathroom has a large zero entry shower beautifully tiled and a closet that provides more than enough space. The homesite is equally impressive as it sits on more than a 1/3 of an acre and has a large back yard perfect for entertaining!!!
