Description

This Park Circle home is the one you've been looking for! This well-maintained single-story residence boasts numerous upgrades. The freshly painted brick exterior with black shutters and accent wood detail offers a contemporary look. Step into the spacious family room with refinished hardwood floors throughout. Bahama shutters provide privacy, block intense sunlight, and let in natural light. Noteworthy woodworking details include a faux brick wall and built-in cabinets for smart storage. The large kitchen features a breakfast area, ample granite counter space, painted cabinets, a gas range, built-in microwave, dishwasher, and tile floors. Bedrooms are well-sized with custom closets and hardwood floors, while the master suite has a private half bath. Both bathrooms are remodeled with tile floors, new vanities, new toilets, deep tub, and tile shower enclosure. Outside, the huge backyard includes established trees, raised garden beds, a large patio with a basketball hoop, a carport/cabana, a storage shed, a new workshop with power, and a beautiful chicken coop! Enjoy walking to shops and dining, the new park complex, and special events, all while having fresh eggs from your own hens! Live your Park Circle dream!
