Description

Arguably the best views in all of the Lowcountry, this home lies directly on the Charleston Harbor with panoramic views of The Ravenel Bridge, Historic Charleston Peninsula Skyline, Fort Sumter, and Sullivans Island. Tucked off the street behind a brick entrance and canopy of live oaks, this mid-century ranch awaits your personal touch, or start new and build your dream home on the harbor. A sprawling single level floor plan features 4 bedrooms and 3 baths, along with a vaulted sunroom off the back offering sweeping views and sightlines. This is a rare opportunity on a premium lot in one of Charleston's most desirable neighborhoods on James Island. Just a short walk from Demetre (Sunrise) Park, The James Island Yacht Club, Pinckney Park, and May Forest.
