Description

2.875% VA Assumable Loan - must qualify - This is a great ranch in Evanston Estates. This is not the typical ranch floorplan - it has a circular flow with a large den in the rear. It has hardwood floors, recently renovated bathrooms, a kitchen with center island, built ins in the kitchen, a separate dining room, living room and, as mentioned, a nice den leading onto the rear deck and private yard. It has a 2 car garage, and a detached shed for more projects and storage. ** good value! Come see!**
