## Description

Discover the ample potential and diverse investment opportunities this stunning property offers! Originally one of the model homes at the inception of Park Circle, this beautifully renovated residence is currently operating as a successful AirBnB, providing immediate revenue potential. However, the possibilities don't stop there - with flexible living arrangements, you could live onsite and rent a portion of the house, or use it as a multi-functional space, perfect for a mother-in-law suite or a private retreat for an older child. Step into the bright and inviting front living room, which welcomes you into the home and leads to a modern, fully equipped kitchen. Adjacent to the kitchen is the dining area, which opens to a spacious deck overlooking a large, fully fenced-in backyard ideal for entertaining or solitude. The primary bedroom with ensuite bath is tucked away at the back of the home. Two additional bedrooms, one with direct access to the back deck, share a full bathroom. The room above the garage offers its own private entry through the back door, providing even more flexible living or rental space. The ample backyard features a large shed with electricity, offering storage and potential for a workshop or creative space. Additional highlights include off-street parking for up to three vehicles, a generator onsite for added convenience and safety, and easy access to all the amenities Park Circle has to offer, including restaurants, bars, shops, and parks. Ideally located, just 15 minutes from downtown Charleston, 25 minutes to the beaches, and a short drive to the airport.
