## Description

Incredible opportunity to get into one of the most sought-after neighborhoods in 29464 for under \$550,000! 547 Castle Hall sits on a beautiful tree-lined street in desirable Longpoint - close to the beaches, downtown, Town Center, 526, and all that Mt. Pleasant and the Charleston area have to offer. This house is ready for someone to make it their own. Great floorplan for families with separation between primary suite downstairs and kids rooms with additional loft area upstairs. Roof is less than 10 years old, LVP flooring installed on first floor in 2021 along with new baseboards and kitchen subway tile. A wood burning fireplace in the living room is there for our occasional chilly evenings! Property is in X flood zone. Longpoint has so much to offer: community pool, clubhouse, new playground, soccer field, basketball court, tennis courts, and close proximity to Palmetto Islands County Park. The county park is such a gem with endless outdoor recreation offering 943 acres in a tropical setting with scenic nature trails, bike paths, kayak launch, pedal boat rentals, picnic sites, off-leash dog park, and Splash Island Water Park. This is walkable from Castle Hall Rd and is paradise for kids and adults!
