## Description

Welcome to 601 White Chapel Circle located in one of James Island's favorite neighborhoods, Woodward Pointe! This classic five-bedroom, four-bathroom home is a traditional classic with a large front porch, brick exterior, screened-in porch, and a large pool to enjoy the summer days! As you enter the home, the center hall is flanked by a sitting room with arched openings and a separate dining room with custom wallpaper and lighting. The kitchen features an island, pantry, double oven, and granite countertops. This space opens to an eat-in kitchen area and a large living room with double height ceilings, a gas fireplace and large windows. Behind the living room is a full bathroom and bedroom that can be used for many different functions such as a guest room, office or home gym. The laundry room is on the main level and is right off the entry to the one and a half-car garage. Beyond the living room, a screened-in porch connects to a large deck space with a built-in hot tub which is perfect for entertaining, grilling and relaxing. The deck space opens up to the large swimming pool and yard space with views of the Stiles Point Plantation neighborhood park. Upstairs, the primary suite is to the left down the catwalk hallway and features a tray ceiling, walk-in closet and a large bathroom with double sinks, bathtub, and a tiled walk-in shower. To the right, there are three other well sized bedrooms and an office. Two of the bedrooms share a full Jack-and-Jill bathroom. The third bedroom is ensuite and the office has pocket doors for privacy. Additional highlights include an encapsulated crawlspace, professionally landscaped yard, custom closets throughout including the pantry, primary, child's bedroom, and guest room, hardwood floors throughout and a new tankless water heater. Enjoy being 10 minutes to downtown Charleston and 20 minutes to Folly Beach with many restaurants and stores nearby including Coastal Crust, The Harlow, Ellis Creek Fish Camp and Harris Teeter.
