Description

This end-unit townhome offers the perfect blend of comfort and ease! With brand-new LVP flooring throughout the living room and master bedroom, plus fresh carpet upstairs, this home is completely move-in ready. You'll love the spacious feel of all three bedrooms, making it feel more like a single-family home while enjoying the low-maintenance lifestyle of townhome living. Located less than 20 minutes from both NWS and JB Charleston, this home is an incredible opportunity--especially for buyers looking to assume a VA loan with a low 4.49% interest rate! Deals like this don't come often, so act fast! The HOA covers termite bond, lawn maintenance, trash, water, sewer, pool access, common areas, and even annual power washing! Plus, the windows have been replaced, and many units have had siding upgrades. The roof is scheduled for replacement in Summer 2025. Don't miss out, schedule your showing today!
