Description

Welcome to the most charming 3 bedroom, 2.5 bath home in North Charleston! The brick front and spacious lot are just the beginning as you enter the home you'll notice beautiful tile and engineered hardwood floors throughout. Off the foyer is a living room (or it would make a great office) which leads to a formal dining room perfect for entertaining. The BRAND NEW kitchen features white matte appliances, a custom backsplash and ample cabinetry + a pantry. There is a breakfast room overlooking the family room which boasts a wood-burning fireplace. There is a nice deck off of the family room and a very private backyard that is fully fenced in (new in 2020). The half bath and laundry room complete the first floor. Upstairs you'll find the spacious primary...suite featuring two closets and ensuite bath with a brand new custom tile shower. The two guest bedrooms offer tons of natural light. The hall bath features a tub/shower, tile floors and granite countertops. This home has tons of storage space including in the two-car garage which has extra space for yard tools, a workbench, etc. This home has an optional Civic Association Membership which is just \$50/year which takes care of the neighborhood entrance landscaping. It's location cannot be beat with great proximity to all of the best restaurants, shopping, Boeing, the airport, and 526.
