Description

Welcome home to gorgeous marsh views and a beautiful and bright open living space. This stunning two-bedroom, 2.5 bathroom townhouse offers unparalleled location, convenience and private views. The main floor boasts a seamless flow between the kitchen, dining and living areas. The gourmet kitchen is equipped with high-end stainless steel GE appliances, quartz countertops, double ovens, a large eat-in island, gas cooktop, soft close cabinets, an extra-large pantry and ample storage. The main floor also features a front balcony, a half bath, and a screened in back porch with fabulous marsh views. Upstairs you will immediately note the removal of all carpet, replaced with luxury plank flooring. The second floor boasts 2 generously sized bedrooms, each with an ensuite bathroom, as well as a good sized laundry room area and ample storage closets. The primary suite features breathtaking marsh views, a walk-in closet with custom built cabinets, spa-like bath with oversized shower and double sinks. Second bedroom also features a walk in closet and its own private ensuite bath. This home features a drive under two car garage with lots of additional storage and flex space on the ground level. There is also an elevator shaft built and ready should you decide to have one installed ... but most prefer to use the space for built in office nooks and large storage. Energy-efficient features throughout including gas heat, Rinnai tankless water heater, 14 Seer HVAC system with programmable thermostat and high impact glass windows. Outside, the community allows each home to fence a portion of the yard (should one choose) that backs to this private and premium location. The boutique water front community of Governor's Cay is located just minutes from Daniel Island and Mount Pleasant. Governor's Cay is surrounded by nature with crabbing and fishing docks, a community pool, screened pavilion for oyster roasts, and an island with floating dock to launch paddle boards, kayaks or small watercraft. Whether you are taking in the beautiful views from your porch or balcony, enjoying the community pool or strolling along the marsh dock, this home truly offers the epitome of Lowcountry living! All information within is to the best of Agents knowledge but any items of importance such as square footage, schools, etc is the responsibility of Buyer and Agent to confirm.
