## Description

If you are looking for a tranquil property to view and listen to birds, you just found it. This beautiful brick ranch sits far enough back on this large lot that you have plenty of play space, garden space or entertaining. As you enter the home you are greeted by a large entry flowing into the dining room and living room perfect for entertaining. The kitchen and Den with a warm fireplace greet you on the other side of the home. The laundry room large and functional is right off the Den. If you love the low country for its outside living year-round here it is. The large sunroom is ideal for an herb garden, starting your day with a cup of coffee or ending it with a great read. The fenced in back yard allows everyone to play and enjoy. All three bedrooms are spacious and the large windows allow for plenty of natural light. The community park is just steps away from the home with a large pond with a water feature is so tranquil for you and the birds. The walking trails, picnic area, play area and more. You can have it all in your back yard.
