Description

Here is your chance to live in sought after south Mount Pleasant for a steal of a price and with no HOA and no flood insurance required! Enjoy the convenience of being able to store your boat in your driveway. This charming home sits on a spacious corner lot in a cul-de-sac in the heart of Mount Pleasant. Filled with upgrades, it features a bright and airy open floor plan with abundant natural light. The current owners totally renovated the kitchen, installed a wall to create a half bath on the first floor, and just installed a new HVAC in Dec. 2023, among other updates. The master suite is conveniently located on the first floor, and there are two huge bedrooms on the second floor with tons of closet space, sharing a full bath. The fourth bedroom, located over the garage, can also serve as an office, play space, or gym. The owners installed a mini-split in this space for added comfort. Discover the perfect outdoor retreat in this home's inviting exterior. Enclosed by a privacy fence, you'll find a spacious deck and patio, ideal for entertaining or simply unwinding. The attached garage features a convenient workspace and a full garage door opening directly to the backyard, offering seamless access for gatherings or quiet evenings outdoors. This home offers exceptional convenience, situated close to Lucy Beckham High School and other schools, with easy access to shopping centers and stores, and just a short drive from both beaches and downtown Charleston.
