Description

Located in the highly sought after Old Mount Pleasant neighborhood, 935 Center Street has been meticulously renovated and maintained. This expansive 0.3-acre lot allows for endless possibilities like an addition, pool or guest house. When you enter the beautifully renovated brick ranch, you will be greeted by an open floor plan that showcases hardwood flooring, tray ceilings and plenty of natural light. Through the door, enter the charming living room with an eat-in dining area beyond. The renovated kitchen is equipped with quartzite countertops, stainless steel KitchenAid appliances and bar stool seating. Off the dining area, there is a sliding door that opens to the expansive yard and patio, the perfect place to relax and entertain. To the right of the dining area is the laundry room and pantry for all your storage needs. Down the hallway, you will find three bedrooms and one-and-a-half baths. The primary bedroom has double doors leading outside to the deck and fenced-in yard. A one-car garage is great for golf cart parking and storage, but also presents the perfect opportunity to easily add 240 sq. ft. to the living space. Additional features include new designer light fixtures, newly updated bathrooms, and a spacious driveway with a turnaround parking pad. 935 Center Street offers a wonderful location and is just a short stroll or golf cart ride to restaurants, shopping, Shem Creek, Pitt Street Bridge and Alhambra Park. Enjoy living one stop light from the popular Sullivan's Island beach and just ten minutes from historic downtown Charleston. This property is zoned for the Mount Pleasant Academy school.
