Description

This is your chance if you are a catamaran owner. This is slip E7, but the seller also has E6 for sale for a total width of 22.8 ft. However, if you just want one slip, the size for a single slip is 50 x 11.4 ft. "The Slips at Ripley Light Marina" feature gated security, fresh water, 50 amp electrical, pump out, bathrooms/showers, fish cleaning stations, and a fuel dock. The best part is it is in a cove so there is very little current to keep growth to a minimum. There is a huge easy to get into parking lot with ample parking spaces. Live aboard is prohibited. The seller has slip numbers E8 & E9 as well for sale, those two together have a wider beam of 28.8 ft. All slips come with dock boxes.
